

Domestic Secured Service - Terms and Conditions

1. **“MA-Contract”** refers to the agreement entered into between Customer and MA, with respect to the Services, which comprises of (a) the particulars and terms set out in a Domestic Shipping Instruction and these Terms and Conditions (collectively, the **“DSS-SI”**); and (b) any Rider. **“Domestic Shipping Instruction”** refers to the shipping instructions given by Customer to MA for each Shipment, whether on a pre-printed Malca-Amit form or on the MyMalca online portal, and accepted by MA. **“Rider”** refers to a signed rider to the DSS-SI which may (i) vary the terms of the DSS-SI, or (ii) set out terms and conditions for a special service. The MA-Contract constitutes the entire agreement between the parties with respect to the Services and supersedes all prior or contemporaneous offers (whether written or oral), negotiations, promises, exceptions, understandings, and any terms and conditions included in any shipping documents issued by an agent or subcontractor of MA, or by Customer, shall not apply; provided however that in the event of a conflict between (1) a Rider; (2) a separate agreement between Customer and MA; and (3) the DSS-SI, the aforementioned documents will take precedence in descending order, with (1) taking priority. Definitions used in the Domestic Shipping Instruction shall have the same meaning in these Terms and Conditions.

5. **“Delivery”** of a Shipment shall be evidenced by a signed Receipt being given by the Consignee, Shipper (if returned) or their respective designee (collectively referred to as **“Receiving Party”**). If a Shipment cannot be delivered within 30 (thirty) days of arrival at destination, and cannot be returned to the Shipper for whatever reason without fault of MA, then (i) MA’s responsibility for the Shipment (or any undeliverable part thereof) shall cease and the Shipment shall be held at the sole risk and expense of Customer; and (ii) MA’s liability, if any, shall not exceed the lesser of (1) USD 10,000 (ten thousand) and (2) the actual value of the Property.
